

Dear Families

Christmas is fast approaching; the children are very excited and the last 7 days at school are super busy! Please take note of the dates and events below to ensure that your child doesn't miss out on anything! We are all looking forward to a fun and festive end to the term!

Have a lovely weekend

Lesa Garside

Interim Headteacher

KS1 Trip

Yesterday both Little Stars and Mercury went on Santa by Steam at Bodmin and Wenford Railway. We had the most amazing time, we travelled in fully decorated carriages and then heard a bell ringing. Santa then made his way down the middle of the train greeting the children and handing out chocolate coins. We had a brilliant day. Thank you all for helping us raise money for the Transport!

We have now totted up the total amount raised across our 3 fundraisers and can announce the grand total is £1078!

Thank you to everyone who has supported us with these events. We have plans in the pipeline on how we are going to ensure the children have memorable experiences using this money!

KS2 Learning

In Saturn this week we have been planning and designing our nightlights for Design and Technology. The children have been considering the purpose and target audience and cannot wait to get creative! The ideas are fantastic.
