Spending Overview :

Rationale

The Learning Academy Partnership is dedicated to delivering high quality PE & school sport to all children. We aim to raise standards in PE and equip the children with the desire, skills, knowledge and understanding necessary to lead a healthy lifestyle.

| ACTIVITY | COST £ | FUNDING CONTRIBUTI ON | IMPACT SOUGHT | OUTCOME OF FUNDING AS AT 31/07/24 |
|---|-----------|-----------------------------|--|--|
| Engagement with Optimum Coaching to offer Specialist PE support for Teachers. | £8920 | £8 920 | <p>To develop subject knowledge for teaching staff on the delivery of high quality PE lessons.</p> <p>Children to experience PE specialist to further develop their physical literacy and skill - building into sports games.</p> <p>Engage, enthuse and spark interest for children in PE and to further engage them in sports clubs outside of school.</p> | <p>Has enabled the school to have access to engaging activities through a broad PE curriculum.</p> <p>Staff have gained invaluable skills and knowledge through targeted professional development, enabling them to develop higher quality PE lessons.</p> <p>Children have had to access a range of sports games including tag rugby, gymnastics, invasion games etc.</p> |
| Forest School provision | £2137 | £2137 | <p>Children get to problem solve, develop teamwork and learn to take part in outdoor and adventurous activity challenges both individually and within a team.</p> <p>Children develop a love for being outdoors which will stay with them long beyond participation in team sports is an option for them in later life.</p> <p>Train members of staff for qualification to deliver Wild Tribe - sustainability and allow every class to eventually enjoy a session fortnightly</p> | <p>This has enhanced children's physical skills and experience of being outdoors. It has helped their social skills and improved teamwork. It has also supported their wellbeing.</p> <p>Children have had hand on experiences which have fostered a love for the outdoors and encouraged a healthy lifestyle.</p> <p>Staff have been trained and supported in Wild Tribe to be able to lead sessions across the school.</p> |
| After School Clubs (Optimum) | £2000 | £2000 | Further develop opportunities for children to engage in sports outside of school time. | Children have been offered clubs across KS1 and KS2. This provision has allowed children to |

| | | | <p>Range of clubs offered - including sports that children may not be able to engage in within the local area (e.g. yoga).</p> <p>Increased opportunities for PE/Sport and afterschool will give increased opportunities for children to develop their health and fitness</p> | <p>engaged with sport after school. This has enabled the children to engage with a wider range of sports and games. This has allowed children to work with other children across the school, building relationships.</p> <p>The sports that have been offered have supported children's knowledge of how to keep fit and be healthy.</p> |
| <p>Opportunities to participate in sports outside of the National curriculum i.e Fencing lessons for KS2</p> | £2000 | £2000 | <p>Broaden children's horizons to the types of sports and activities available to them.</p> | <p>All children have had opportunities both in school and after school to participate in a non-curriculum sport activity: fencing. This provided a broader understanding of sports and allowed them to apply learnt skills to a new sport. This was led by a professional fencer and allowed children to access a competing athlete.</p> |
| <p>Resources</p> | £1335 | £1335 488 | <p>Resources are poor for some areas so need replacing to ensure that children have an excellent provision To leave a lasting legacy for PE.</p> <p>Pupils to enjoy their PE lessons.</p> <p>To learn new skills.</p> | <p>Resources have been replaced and more appropriate and relevant resources are now used across the school.</p> <p>Children more readily engage with sport during PE due to more interesting and high-quality equipment and resources.</p> <p>New resources have allowed children to have free choice of activities and equipment during lunchtime. This has enabled</p> |
